Before you book: ask for the **billing code (CPT)** and whether the visit is billed as **inpatient or outpatient**; ask for a **Good Faith Estimate** in writing (you are entitled to one); and if you have insurance, confirm the facility *and* the doctor are in your network. A listed price is not a quote.

Inpatient vs. outpatient

The same procedure is billed very differently depending on where it is done. Ask which one applies to you.
