Before you book: ask for the **billing code (CPT)** and whether the visit is billed as **inpatient or outpatient**; ask for a **Good Faith Estimate** in writing (you are entitled to one); and if you have insurance, confirm the facility *and* the doctor are in your network. A listed price is not a quote.

Inpatient vs. outpatient

The same procedure is billed very differently depending on where it is done. Ask which one applies to you.

Estimated price is the facility's posted price for this procedure (its lowest plausible negotiated or cash rate in the setting shown). Hospital-reported figures from CMS machine-readable files; estimates only, not quotes. Your cost depends on your insurance, network status and deductible.
